

Create and Connect November 14 - 16, 2016 Monday - Wednesday

ADULTS GET THEIR OWN SPECIAL TIME

at Luther Springs

Explore. This retreat is a blend of bible studies, presentations, music, and small group discussion. Explore tools to identify your God-given gifts to find meaning, passion, and purpose for the second half of life.

Experience. Surrounded by the inspiring natural setting of Luther Springs, experience how we are connected with others to God's abundant grace. There will be opportunities to hike, canoe, craft, socialize or relax on the porch with a good book.

The program begins on Monday at 7:00 p.m. with a wine & cheese welcome. Three delicious meals are provided on Tuesday, and breakfast on Wednesday. Housing will be in motel style rooms with linens and towels. RV sites are also available.
